JAZZ SCHOOL UK

CERTIFICATE AND DIPLOMA

Jazz is known as the music of freedom, and this freedom requires a special set of skills.

Our PATHWAY delivers these skills through a combination of tutorials, course days, ensembles and guided personal study.

The programme is focused, flexible, and structured to fit the individual player.

No more need to leave your jazz playing to chance...

**WE KNOW
WHAT YOU
NEED TO KNOW!**

WE AIM....

to give you a route through your jazz studies that is intensive and personalised.

With a combination of ensembles work, 121 tutorials, course days and guided personal study, you will be able to make rapid and sustainable progress in your jazz playing, at whatever level.

YOUR COMMITMENT....

will generally be in the order of 2 visits per month to Jazz School UK, and 10 hours per week of guided study - this being not just practice, but also including some of your normal activities e.g. tune learning, transcription, concerts, listening and so on - the idea being to point all this work in the same direction!

THE PATHWAY....

starts with CERTIFICATE PART 1, after which players either continue up through the certificates or (subject to playing level) switch to the diploma programme.

We organise jazz skills into 4 broad levels:

- levels 1-2 are pre-university playing standard
- levels 3-4 are undergraduate and postgraduate playing standard

Each certificate part corresponds to 2 seasons of study at levels 1-3.

Each diploma part corresponds to 2 seasons of study at levels 3-4.

COSTS....

The fee for each certificate or diploma part (2 seasons) is £3500.

WE OFFER....

- conservatoire level teaching by professional jazz musicians
- structured and personalised learning, directed towards specific playing skills and concepts
- a high-quality part-time alternative* to a jazz degree
- low costs - here are some comparisons for equivalent study periods:
